TARIFF REFORM UPSETS A REPUBLICAN MAJORITY OF 6000 IN ONE COUNTY

ROCHESTER, N. Y., April 19.—More than 6000 votes of Monroe county changed from the republican to the democratic column today, and elected the first democratic congressman that was re-elected the thirty-second district in twenty years. James S. Havens, a democrat, running on a tariff platform, defeated George W. Aldridge, for a score of years the rules of the county republican organization, by 5300 votes. Monroe county is normally republican by about 6000.

HUSBAND GOES ON HONEYMOON LEAVING BRIDE

Globe Italian Has Knot Tied and Leaves for the Old Country Despite Tears of Wife.

GLOBE, Ariz., April 19.—Leaving his pretty bride behind in this city, George Castagnetto, a member of the local Italian colony, left for Italy this morning to spend the most singular honeymoon trip ever originated in this part of the country. Castagnetto was married here last night in the presence of many friends. As the ceremony was completed, the groom surprised everyone, including the young wife, by announcing he would leave at once for the fatherland.

REST CURE FOR JEFF YESTERDAY

CHAMPION GETS SLEEPY AND IS TOLD TO LAY OFF BY HIS MANAGER.

BEN LOMOND, April 19.—Jeffries' training camp looked like a rest cure sanitarium today. For the first time since he entered into the training Jeff took almost a complete layoff from the active tasks. A bit of work in the early morning and a row on the river during the afternoon constituted the only form of exercise. After his row work Jeff took a long nap in his open air sleeping room.

Shortly before noon he strolled in to Manager Berger's office and declared he was sleepy still. "If you feel that way, why don't you lay off for the rest of the day?" asked Berger. Whether Jeff is becoming more tractable or really was tired, is a question, but he decided to take his manager's advice.

WHILE SWOPE WAS WELL, END WAS FORETOLD

Nurses Testify That Hyde Said Patient Would Not Return to Kansas City From the Hospital.

KANSAS CITY, April 19.—"Col. Swope will never return to Kansas City." This prophecy, testified Miss Pearl Keller, a nurse in the Hyde murder trial today, was made to her by Dr. Hyde in Independence, Mo., a few days before Col. Swope died. She was Swope's nurse.

Between the time when Dr. Hyde's alleged to have made the remark and Col. Swope's death, James Moss Hutton, a cousin of Swope, died. Miss Keller, who was taking up the Swope mystery in chronological order, had begun to tell of the illness of Hutton when the defense objected. Attorneys for Dr. Hyde claim testimony regarding no other death or illness than that of Col. Swope would be admitted in the present trial. Before Miss Keller resumes the stand this point will be decided.

ROOSEVELT LEAVES HUNGARY HOLIDIZED

BUDA PEST, April 19.—Theodore Roosevelt and his son Kermit left here tonight by the Orient express for Paris, where they will arrive Thursday morning. Mr. Roosevelt's last day in Hungary only furnished additional proof of the deep impression his personality has made upon the people. Enthusiasm increased up to the moment of his departure.

FAILS TO STATE PROOF OF SHIP SUBSIDY GRAF

Man Who Charged Members With Being Paid for Opposing Measure Is Still Obdurate.

LONDON BOGEYMAN BEGINS TO VANISH

Admission Is Made That the Subsidy League Paid Congressmen

WASHINGTON, April 19.—Whether a report to the house will be made on the recalcitrancy of John M. Maxwell of Indianapolis, who refused to answer questions about his service on the American flag, reflecting on members of Congress, will be decided at an executive session of the ship subsidy investigating committee tomorrow. This was decided today after question had been raised as to the power of congress to force answers in such a proceeding.

Secretary John A. Patton of the Merchant's Marine League, recalled, testified that for the last year he had drawn compensation at the rate of \$7200 a year; that he stood responsible for the American flag, but regretted some of the undignified characterizations in the November issue. Maxwell edited the number. Patton had differed with the editor on the subject. He recalled some of the contributions to the League, including \$5000 or \$6000 from Governor Herrick of Ohio, and a check from John Hays Hammond. Four hundred members of the American flag were sent into Stearns's district of Minnesota. He said, without any particular motive, and he had sent copies to many other districts. The league had paid part of the expenses of former Representative Landis, of Indiana, on a Chautauqua trip, and of former Representative McClary of Minnesota on a speech making tour.

At the afternoon session of the committee, Chairman Olcott again asked John M. Maxwell to name his informant as to the published charge that London conference of shipowners had been organized to make a pronouncement on carrying on a "Washington campaign" against ship subsidy legislation.

ST. LOUIS, April 19.—High prices of meat are due partly to fictitious competition between livestock buyers employed by the Swift, Armour and Morris interests and by the National Packing company which is controlled by those interests, according to testimony this afternoon by A. N. Benn, vice president of the St. Louis Dressing Beef and Provision company. Mr. Benn testified in the investigation of the packing companies conducted by Attorney General Major.

WADDILL SENTENCED TO HANG JUNE 29

GLOBE, Ariz., April 19.—As a result of one of the most sensational murders ever committed in this district, Thomas Waddill, twenty-three years old, was given the death sentence at a Solomonville, near this city, today. Waddill shot and killed J. F. Lindsey, an old prospector, in cold blood while sleeping, in the Graham mountains several months ago. He first claimed self defense, but under pressure of strong evidence he confessed to a murder, implicating Rex Martin and M. J. Clark. It was expected by the prosecution that the conviction of Waddill and Clark would be secured on Waddill's testimony.

(Special to Review.)
TUCSON, Ariz., April 19.—That Tucson will do everything possible to forward the construction of the El Paso and Southwestern and Port Loez railroads to this place was manifested at a special meeting of the city council this afternoon by the unanimous and enthusiastic passage of a resolution to tender the railroad management every possible encouragement and assistance. HALE FOLLOWS ALDRICH WITH HIS FAREWELL

Oldest Senator in Point of Service Says He Is Going to Quit at End of the Term.

DOLLIVER HAS JOKE ABOUT LEADERSHIP

Senate Is Surprised and Leaders Refuse to Comment on the Situation.

WASHINGTON, April 19.—The positive announcement of the prospective retirement of Senator Hale, following so closely on a similar announcement regarding Senator Aldrich, had a stunning effect upon the senate. That the oldest of senators, in point of service, should voluntarily decide to retire from that body was scarcely less of a surprise than that the recognized leader should have decided upon a similar step. Most of the senators declined to make any comments.

Mr. Hale was in the senate building early in the day, but kept aloof from other senators and from visitors generally. To friends, however, he made no denial. By the retirement of Senator Hale, the senate will lose the oldest of its members in point of service, and the republican party the chairman of its caucus and its titular leader.

BYRAN AND TAFT FORGET THE TARIFF

CLOSED FOR AN HOUR AT THE WHITE HOUSE, NEVER MENTION POLITICS.

WASHINGTON, April 19.—William J. Bryan, and President Taft spent more than an hour closeted at the White House together today. The two great travelers exchanged reminiscences. BUDGET TO FARE AHEAD

LONDON, April 19.—David Lloyd George, chancellor of the exchequer, re-introduced last year's budget in the house of commons today. He declared that he realized that the present deficit of \$131,240,000 would be more than enough to wipe out all arrears when collected, and that there would be a surplus of \$14,800,000. The chancellor commented upon the remarkable decrease of 32 per cent in the consumption of whiskey, a decrease that he attributed mainly to the extra duty imposed.

TWO SUFFRAGE HEADS RESIGN THEIR OFFICES

Policies of Dr. Anna Shaw Cause Split that Puts Foremost Leaders Out of the Order.

WASHINGTON, April 19.—Two of the "old line leaders" in the National Suffrage Association today refused to follow the administration. Because of opposition to certain policies of Rev. Anna H. Shaw, president of the organization, Mrs. Rachel Foster Avery, first vice president and Mrs. Harriet Taylor Upton, treasurer resigned their positions. The resignations were offered at a meeting of the executive committee. Both Mrs. Avery and Mrs. Upton consented to serve one month longer, but declared successors must be appointed by that time.

BOY IS SHIPPED ON BILL OF LADING

CONSIGNED TO BANK IN ST. LOUIS AS SECURITY FOR A BOARD BILL.

ST. LOUIS, April 19.—One seven-year-old boy was received on a bill of lading at the Union station today over the Iron Mountain route, from Monroe, La. He was consigned to a local bank as collateral for a board bill to be remitted to a bank at Monroe. Mrs. J. J. Koontz, acting as agent for F. J. Koontz, father and owner of the boy, whose name is Arthur, called at the Union station for the consignment, but the railroad officials refused to deliver him to her, because she was not the consignee named in the bill of lading. The boy, still tagged, was taken to the bank in a taxicab, and the amount due was paid.

D. A. RTERS ARE IN THE VORTEX OF MERRY ROW

Session Yesterday Is Torn to Pieces by Trial of Strength Between the Willcox and Scott Factions.

WASHINGTON, April 19.—A storm broke in the 19th Continental Congress of the National Society, Daughters of the American Revolution today, and the administration forces were sustained in their first skirmish with the opposition. The contest centered around Miss Mary R. Wilcox, recording secretary general, who after a parliamentary wrangle, was censured by the congress for issuing a circular criticizing Mrs. Matthew T. Scott the president general, for the dismissal of Miss Agnes Cepard, a clerk at Continental hall, for insubordination.
